

Dear colleagues, Dear scientists, Dear fellow science enthusiasts,

Please join us this **Tuesday 23<sup>rd</sup> of April 2024** from **10 to 11.30 am (CEST) / 5 to 6.30 pm (JST)** for the first webinar of a series of 6 joint **France-Japan webinars** dedicated to **Basic and Translational Immunology\***.

For this first session, we are pleased to welcome:

- **Dr Tomohiro Kurosaki, MD, PhD** from Osaka University, Japan
- **Dr Bernard Malissen, PhD** from Marseille-Luminy Immunology center (CIML), France

who will be giving talks on **B cells and antibodies**.

This first webinar will be introduced by **Bruno Quesnel, MD, PhD**, director of the Research and Innovation Division of the **French National Cancer institute (INCa)** together with **Tomohiro Kurosaki, MD, PhD, Chair of the Japanese Society of Immunology** and **Daniel Olive, MD, PhD, Chair of French Society of Immunology**.
